

Honda Cars India launches All-New 2nd Generation Honda Amaze in India

- *India – First country to launch the 2nd Generation Honda Amaze*
- *Introduces Industry First Advanced Diesel CVT in the Indian market*
- *One Class Above Premium Sedan in terms of Design, Space, Comfort and Drivability*
- *3-years Unlimited Km warranty as standard value with all new Amaze*

New Delhi, May 16, 2018: Honda Cars India Ltd. (HCIL), leading manufacturer of premium cars, today launched its much awaited **All-New 2nd Generation Honda Amaze** in the Indian market. Built on an **all new platform**, the 2nd generation Amaze incorporates Honda's spirit of innovation in research and development aiming to delight the customers. The car offers **One Class Above premium experience** with its all new bold design, sophisticated & spacious interior, more efficient powertrain, outstanding driving dynamics, advanced features and safety technologies.

The all-new Amaze features the **First in Industry Diesel CVT Technology** in the Indian market, offering powerful and effortless driving experience. This is Honda's first diesel engine combined with advanced CVT, and India will be the first market to launch this technology.

Speaking on the occasion, **Mr Gaku Nakanishi, President & CEO, Honda Cars India** said, "The All New Amaze has been developed keeping the needs and aspirations of Indian customers in mind. It is a big promise from Honda and we are confident that the All New Amaze will become one of the strongest pillar of HCIL business. This model will create new excitement in the segment and will provide us opportunity to expand our business across markets."

"In line with our commitment to offer latest technologies to the Indian consumers, Amaze comes with advanced Diesel CVT which is Honda's first such technology in the world and also an industry first in the Indian market," he added.

The All-New 2nd Generation Honda Amaze has been developed at **Honda R&D Asia Pacific Co. Ltd.** following extensive market surveys with an aim to exceed the needs and aspirations of Indian customers. India, a key market for Honda globally, is the first country to launch the All-New Amaze.

The model has been developed under the grand concept of '**Amazing Compact Limousine**' represented by its sleek solid design, overwhelming cabin and cargo space within 4 metres and outstanding driving performance with comfortable ride.

EXTERIOR

The all-new Amaze features a premium and sensational design. In accordance with its exterior concept of 'Dauntless Solid', the aggressive long nose seamlessly integrates with sleek and spacious cabin expressing a **premium sedan form**.

<ul style="list-style-type: none"> - Honda's signature Solid Wing Face - Headlamp integrated Signature LED Position lights - Front Fog lamps - Power adjustable and Power folding ORVM with LED turn indicators 	<ul style="list-style-type: none"> - Shark Fin Antenna - Multi Spoke Stylish R15 Alloy Wheel - Premium Rear Combi Lamps

POWERTRAIN

The All New Amaze adopts the best of Honda's powertrains to achieve a perfect balance of performance and fuel economy.

Engine	Transmission	Power	Torque	Fuel efficiency
1.2L i-VTEC (Petrol)	5MT	90PS@6000 rpm	110 Nm @ 4800 rpm	MT – 19.5 kmpl
	CVT			CVT – 19.0 kmpl
1.5L i-DTEC (Diesel)	5MT	100PS@3600 rpm	200 Nm @1750 rpm	MT – 27.4 kmpl
	CVT(New introduced)	80PS@3600 rpm	160 Nm@1750 rpm	CVT – 23.8 kmpl

This is the first time that Honda is using a CVT with a diesel engine. The CVT is highly compatible with the wide torque band of the diesel engine to offer fun and sporty driving. It also offers better, smoother, and more linear acceleration and greater shift control.

PACKAGE

The all new Honda Amaze is **longer and wider to provide class above passenger space**. It measures 3995 mm (5 mm longer than its predecessor) and 1695 mm in width (15 mm wider). With its wheelbase of 2470mm (65mm more than its predecessor), efficient use of space has been made for both driver and occupants to create a **spacious cabin interior**. The Amaze has segment best trunk capacity of 420L which is 20L more than the outgoing model.

Key specification of All New Amaze

Length	Width	Height	Wheelbase	Ground Clearance	Boot space
3995 mm	1695 mm	1501 mm	2470 mm	170 mm*	420 L

**Minimum ground clearance mentioned is in unloaded condition*
